Parking is solely at the applicant's own risk. By agreeing to park in the RV/parking lot, this waives any and all claims and causes of action against the American Kennel Club, Inc., Mars Inc., Roberts Centre, their employees, agents and volunteers related to loss of, or damage to the vehicle or its contents, including all claims and causes of action arising out of negligence of such parties for any and all loss by fire, theft or damage, or loss of personal property, or the loss of injury to the animals in their charge while on show grounds, hotel or parking area.

Animal Waste Stations are available around the property. If your animal soils the parking lot, show grounds, or hotel property, it is your responsibility to clean up after it. Violators may be subject to an event committee hearing. Anyone found to violate these premises without cleaning up will be subject to disciplinary measures that could result in suspension and withholding of awards.

Please respect the rules of the hotel. ***Guests staying at the Holiday Inn must abide by the following:***

1. **Access to Rooms:** All guests MUST provide access to your room DAILY from 8:00am to 5:00pm for Housekeeping. **Do Not Disturb signs will be respected; however, housekeeping still requires access to each room that houses a dog daily;** a time MUST be arranged with a Guest Service Representative for access to your room each day. A show committee representative will be notified in the event that policies are being broken.
2. **Pet Fees:** A pet fee WILL be charged to each room in which an animal is housed. The hotel will provide sheets to place over the beds in guestrooms with animals during pet shows. The pet fee is applied to cover normal and expected expenses for additional cleaning necessary to make a room ready for the next guest, i.e. removal of moderate pet hair and odor. The pet fee does NOT cover extensive cleaning, dry cleaning, shampooing, or damage done to carpets, bedding, furniture, or fixtures due to the pet(s) drooling, vomiting, defecating, urinating, or marking (spraying) of the room. Rooms that require more than moderate additional cleaning/deodorizing, will be subject to additional fees necessary to bring the room to a rentable condition. These additional fees could include professional dry cleaning, steam cleaning, and/or complete replacement of carpets, drapes, bedding, and furniture. These additional fees will be solely at hotel management's discretion.
3. **Destruction of Property:** is subject to disciplinary action that can result in a suspension from the AKC and withholding of awards. Individual guestroom occupants will be assessed for any damage or destruction to their guestroom and/or elsewhere on the property.
4. **Crates:** ALL dogs MUST BE KEPT IN CRATES when you are out of the room, no exceptions. Plastic will be provided by the hotel/club to place under these crates in a Dog Show Basket found on the desk in the room. If you have not received a Dog Show Basket, please call the front desk to request one. **Dogs found uncrationed in guestrooms may result in an additional \$250 charge. Up to Four dogs will be permitted per room (unless club has different requirements).** Housekeeping is required to report any violations to the front desk who reports the violations to the dog show committee.
5. **Dog Barking:** All guests MUST provide a cell phone number at check-in so that we may contact you with any noisy dog issues, or in the event of an emergency. In the event of excessive barking, the occupant of the room will be notified and expected to quiet the dog(s). We will issue no more than two requests to cease excessive barking. **Excessive barking that is not resolved may result in an additional charge of up to \$100, at hotel management discretion.**
6. **Bathing/Grooming:** Dogs MUST be bathed in designated areas for dog bathing ONLY. **There will be no grooming of dogs in hotel rooms and no hotel towels should be used for this purpose** (towels provided in your Dog Show Basket are complimentary for use during your stay and should be used to wipe paws/mud as needed during the stay). **A \$50 Fee will be assessed if it is determined a dog was groomed in the room.**
7. **Waste Removal:** Pick up and removal of waste will be the responsibility of each dog owner/handler. This includes outside areas and also accidents that occur inside the hotel and show hall (cleaning supplies are available at the front desk or available in the Roberts Centre per request).
